PURPOSE AND SCOPE

This policy applies to all permanent employees and contractors travelling on approved company business. It defines booking, approval, reimbursement, and evidence requirements.

Travel must have a documented business purpose and must be approved before any non-refundable booking is made.

TRAVEL APPROVAL

Domestic trips require approval from the employee's line manager. International trips require approval from both the line manager and the relevant department director.

- The traveller must submit the request at least 7 calendar days before domestic travel.
- The traveller must submit the request at least 21 calendar days before international travel.
- Finance approval is also required when the expected trip cost exceeds USD 5,000 or its local-currency equivalent.

No employee may approve their own trip or expense report.

AIR AND RAIL BOOKINGS

Travellers must select the lowest logical fare that meets the approved business schedule. Economy class is required for flights shorter than 6 hours.

Premium economy may be booked for a single flight segment lasting 6 hours or longer. Business class requires written approval from the Chief Financial Officer and is limited to a single segment lasting more than 10 hours.

- Rail journeys under 4 hours should be preferred over flights when total journey time is comparable.
- Changes made for personal convenience are paid by the traveller.
- One checked bag is reimbursable when it is not included in the ticket.

HOTEL AND MEAL LIMITS

Hotel limits apply to room charges before taxes. A higher rate requires prior director approval and a documented business reason.

- Meal limits include taxes and service charges.
- Alcohol is not reimbursable.
- Meals provided by a conference, hotel, airline, or host must not be claimed again.

Location	Hotel limit per night	Meal limit per day
India	INR 9,000	INR 2,000
United Kingdom	GBP 180	GBP 65
United States	USD 250	USD 75
Other locations	USD 180 equivalent	USD 60 equivalent

EXPENSE SUBMISSION AND PAYMENT

Expense reports must be submitted within 15 calendar days after the traveller returns. The line manager must approve or reject a complete report within 5 business days.

An itemized receipt is required for any individual expense of USD 25 or more, or the local-currency equivalent. A card slip without item details is not sufficient evidence.

Approved expenses are normally paid in the next payroll cycle. Finance may return incomplete claims without payment.

Expenses submitted more than 60 calendar days after travel require Finance Director approval.

NON-REIMBURSABLE EXPENSES

- Personal entertainment, minibar purchases, and in-room movies.
- Traffic fines, parking penalties, and other legal violations.
- Childcare, pet care, clothing, and personal grooming.
- Costs for companions who are not travelling for an approved business purpose.
